

## Do you?

- Offer housing to your graduate students or family living apartments?
- Have studio apartments?
- Have residence life professionals on your campus who commonly help accommodate last-minute move-ins or students working through disputes with their roommates?

We have something that'll help!

## Introducing the brand new *Savoy Sleep Easy.*

When space gets tight, you need to take advantage of every opportunity. That's why we're now offering our brand new *Savoy Sleep Easy!* This comfortable piece will complement any communal area in a multi-living apartment or offer additional seating in a studio, as well as offer a super-easy, comfortable sleeping area for visitors staying the night! Guests will get a great night sleep on this cozy, home-like SOFlux® inverted seam mattress and your students can easily stash it away for additional seating when entertaining guests or simply watching tv.

This is the perfect addition to graduate and professional housing.
